

# Love On Top - Beyoncé

---

Bring the beat in!

Honey, honey

I can see the stars all the way from here

Can't you see the glow on the window pane?

I can feel the sun whenever you're near

Every time you touch me I just melt away

Now everybody asks me why I'm smiling out from ear to ear

They say love hurts

But I know it's gonna take a little work

Nothing's perfect

But it's worth it

After fighting through my tears

And finally you put me first

Baby, it's you

You're the one I love

You're the one I need

You're the only one I see

Come on, baby, it's you

You're the one that gives your all

You're the one I can always call

When I need you make everything stop

Finally you put my love on top

Ooh! Come on baby

You put my love on top, top, top, top, top

You put my love on top

Ooh ooh! Come on baby

You put my love on top, top, top, top, top

My love on top

My love on top

Baby, baby

I can hear the wind whipping past my face

As we dance the night away

Boy, your lips taste like a night of champagne

As I kiss you again, and again, and again, and again

Now everybody asks me why I'm smiling out from ear to ear

They say love hurts

But I know it's gonna take a little work

Nothing's perfect  
But it's worth it  
After fighting through my tears  
And finally you put me first

Baby, it's you  
You're the one I love  
You're the one I need  
You're the only one I see  
Come on, baby, it's you  
You're the one that gives your all  
You're the one I can always call  
When I need you make everything stop  
Finally you put my love on top

Oh, baby  
You put my love on top, top, top, top, top  
You put my love on top  
Oh, oh! Come on, baby  
You put my love on top, top, top, top, top  
My love on top  
My love on top

Baby, it's you  
You're the one I love  
You're the one I need  
You're the only thing I see  
Come on, baby, it's you  
You're the one that gives your all  
You're the one that always calls  
When I need you, baby, everything stops  
Finally you put my love on top

Baby, you're the one that I love  
Baby, you're all I need  
You're the only one I see  
Come on, baby, it's you  
You're the one that gives your all  
You're the one I always call  
When I need you everything stops  
Finally you put my love on top

Baby, 'cause you're the one that I love  
Baby, you're the one that I need  
You're the only man I see  
Oh, baby, baby, it's you  
You're the one that gives your all  
You're the one that always calls

When I need you everything stops  
Finally you put my love on top

Baby, 'cause you're the one that I love  
Baby, you're the one that I need  
You're the only one I see  
Baby, baby, it's you  
You're the one that gives your all  
You're the one that always calls  
When I need you everything stops  
Finally you put my love on top
