

# Something - The Beatles

---

Something in the way she moves  
Attracts me like no other lover  
Something in the way she woos me

I don't want to leave her now  
You know I believe and how

Somewhere in her smile she knows  
That I don't need no other lover  
Something in her style that shows me

Don't want to leave her now  
You know I believe and how

You're asking me will my love grow  
I don't know, I don't know  
You stick around, now it may show  
I don't know, I don't know

Something in the way she knows  
And all I have to do is think of her  
Something in the things she shows me

I don't want to leave her now  
You know I believe and how
