

Rule the World - Take That

You light the skies up above me
A star so bright you blind me
Don't close your eyes
Don't fade away

My heart, I know, now I'm losing you
So pure, your love, so amazing, yeah yeah
Don't close your eyes
Don't fade away
Don't fade away

Yeah, you and me, we can ride on a star
If you stay with me girl, we can rule the world
Yeah, you and me, we can light up the sky
If you stay by my side, we can rule the world

If walls break down, I will comfort you
If angels cry, oh I'll be there for you
You've saved my soul
Don't leave me now
Don't leave me now

Yeah, you and me, we can ride on a star
If you stay with me girl, we can rule the world
Yeah, you and me, we can light up the sky
If you stay by my side, we can rule the world

All the stars are coming out tonight
They're lighting up the sky tonight
For you, for you
All the stars are coming out tonight
They're lighting up the sky tonight
For you, for you

Yeah, you and me, we can ride on a star
If you stay with me girl, we can rule the world
Yeah, you and me, we can light up the sky
If you stay by my side, we can rule the world

All the stars are coming out tonight
They're lighting up the sky tonight
For you, for you
All the stars are coming out tonight
They're lighting up the sky tonight
For you, for you

All the stars are coming out tonight
They're lighting up the sky tonight
For you, for you
All the stars are coming out tonight
They're lighting up the sky tonight
For you, for you
