

Can You Feel the Love Tonight - Elton John

There's a calm surrender to the rush of day
When the heat of a rolling wind can be turned away
An enchanted moment, and it sees me through
It's enough for this restless warrior just to be with you

Can you feel the love tonight?
It is where we are
It's enough for this wide-eyed wanderer
That we've got this far

And can you feel the love tonight?
How it's laid to rest?
Oh, it's enough to make kings and vagabonds
Believe the very best

There's a time for everyone if they only learn
That the twisting kaleidoscope moves us all in turn
There's a rhyme and reason to the wild outdoors
When the heart of this star-crossed voyager beats in time with yours

Can you feel the love tonight?
It is where we are
It's enough for this wide-eyed wanderer
That we've got this far

Can you feel the love tonight?
How it's laid to rest?
Oh, it's enough to make kings and vagabonds
Believe the very best

Oh, it's enough to make kings and vagabonds
Believe the very best
