

Livin' La Vida Loca - Ricky Martin

She's into superstitions black cats and voodoo dolls
I feel a premonition that girl's gonna make me fall

She's into new sensations new kicks in the candle light
She's got a new addiction for every day and night

She'll make you take your clothes off and go dancing in the rain
She'll make you live her crazy life but she'll take away your pain
Like a bullet to your brain
Come on!

Upside, inside out she's living la vida loca
She'll push and pull you down, living la vida loca
Her lips are devil-red and her skin's the color mocha
She will wear you out living la vida loca
Come on!
Living la vida loca
Come on!
She's living la vida loca

Woke up in New York City in a funky cheap hotel
She took my heart and she took my money
She must've slipped me a sleeping pill

She never drinks the water
Makes you order French Champagne
Once you've had a taste of her
You'll never be the same
Yeah, she'll make you go insane
Alright

Upside, inside out she's living la vida loca
She'll push and pull you down, living la vida loca
Her lips are devil-red and her skin's the color mocha
She will wear you out living la vida loca
Alright!
Living la vida loca
She's living la vida loca

She'll make you take your clothes off and go dancing in the rain
She'll make you live her crazy life
But she'll take away your pain
Like a bullet to your brain
Come on!

Upside, inside out she's living la vida loca
She'll push and pull you down, living la vida loca
Her lips are devil-red and her skin's the color mocha
She will wear you out living la vida loca
Come on!

Upside, inside out she's living la vida loca
She'll push and pull you down, living la vida loca
Her lips are devil-red and her skin's the color mocha
She will wear you out living la vida loca
Come on!

Living la vida loca
Come on!
She's living la vida loca

Come on!

Come on!
La vida loca
La vida loca
