

# Total Eclipse of the Heart - Bonnie Tyler

---

(Turn around)

Every now and then

I get a little bit lonely

And you're never coming 'round

(Turn around)

Every now and then

I get a little bit tired

Of listening to the sound of my tears

(Turn around)

Every now and then

I get a little bit nervous

That the best of all the years have gone by

(Turn around)

Every now and then

I get a little bit terrified

And then I see the look in your eyes

(Turn around, bright eyes)

Every now and then I fall apart

(Turn around, bright eyes)

Every now and then

I fall apart

(Turn around)

Every now and then

I get a little bit restless

And I dream of something wild

(Turn around)

Every now and then

I get a little bit helpless

And I'm lying like a child in your arms

(Turn around)

Every now and then

I get a little bit angry

And I know I've got to get out and cry

(Turn around)

Every now and then

I get a little bit terrified

But then I see the look in your eyes

(Turn around, bright eyes)  
Every now and then  
I fall apart  
Turn around, bright eyes  
Every now and then  
I fall apart

And I need you now tonight  
And I need you more than ever  
And if you only hold me tight  
We'll be holding on forever  
And we'll only be making it right  
'Cause we'll never be wrong

Together we can take it to the end of the line  
Your love is like a shadow on me all of the time (all of the time)

I don't know what to do and I'm always in the dark  
We're living in a powder keg and giving off sparks

I really need you tonight  
Forever's gonna start tonight  
(Forever's gonna start tonight)

Once upon a time I was falling in love  
But now I'm only falling apart  
There's nothing I can do  
A total eclipse of the heart

Once upon a time there was light in my life  
But now there's only love in the dark  
Nothing I can say  
A total eclipse of the heart

(Turn around, bright eyes)  
(Turn around, bright eyes)

(Turn around)  
Every now and then  
I know you'll never be the boy  
You always wanted to be

(Turn around)  
But every now and then  
I know you'll always be the only boy  
Who wanted me the way that I am

(Turn around)  
Every now and then

I know there's no one in the universe  
As magical and wondrous as you

(Turn around)  
Every now and then  
I know there's nothing any better  
There's nothing that I just wouldn't do

(Turn around, bright eyes)  
Every now and then I fall apart  
(Turn around, bright eyes)  
Every now and then I fall apart

And I need you now tonight  
And I need you more than ever  
And if you only hold me tight  
We'll be holding on forever  
And we'll only be making it right  
'Cause we'll never be wrong

Together we can take it to the end of the line  
Your love is like a shadow on me all of the time (all of the time)

I don't know what to do  
I'm always in the dark  
Living in a powder keg and giving off sparks

I really need you tonight  
Forever's gonna start tonight  
(Forever's gonna start tonight)

Once upon a time I was falling in love  
But now I'm only falling apart  
Nothing I can do  
A total eclipse of the heart

Once upon a time there was light in my life  
But now there's only love in the dark  
Nothing I can say  
A total eclipse of the heart

A total eclipse of the heart  
A total eclipse of the heart
