

Totally Gay - Big Mouth

(What's it like to be gay?)

When you're gay
Every day is a nonstop cabaret
You've got style and flair, you're loved everywhere
'Cept for North Carolina!

Bears and queens, and Catholic tweens
The world's your buff buffet
Come and join in the fun, say hello to tight buns
And goodbye vaginas

[Optional extra verse]
Today, come be gay (so gay!)
Not just by ephemer-a ti fa ti ve
But genuinely gay
There's a new life calling

Be gay, totally gay (be gay!)
Be a bright and shining rainbow
Yes, you'll find your new identity
In the LGBT community
Oh

I'm gay, totally gay! (he's gay!)
I'm a fabulous, flouncing loud and proud cliché (sashay!)
On display (all day!)
And I've found my calling

Today (hooray!) oh, shanté (so gay!)
It's a flaming hot pink letter day
I'm not the boy I used to be
I'm here, I'm queer
Get used to me

(He's absolutely, undeniably gay)
