

# Livin' La Vida Loca - Ricky Martin

---

She's into superstitions black cats and voodoo dolls  
I feel a premonition that girl's gonna make me fall

She's into new sensations new kicks in the candle light  
She's got a new addiction for every day and night

She'll make you take your clothes off and go dancing in the rain  
She'll make you live her crazy life but she'll take away your pain  
Like a bullet to your brain  
Come on!

Upside, inside out she's living la vida loca  
She'll push and pull you down, living la vida loca  
Her lips are devil-red and her skin's the color mocha  
She will wear you out living la vida loca  
Come on!  
Living la vida loca  
Come on!  
She's living la vida loca

Woke up in New York City in a funky cheap hotel  
She took my heart and she took my money  
She must've slipped me a sleeping pill

She never drinks the water  
Makes you order French Champagne  
Once you've had a taste of her  
You'll never be the same  
Yeah, she'll make you go insane  
Alright

Upside, inside out she's living la vida loca  
She'll push and pull you down, living la vida loca  
Her lips are devil-red and her skin's the color mocha  
She will wear you out living la vida loca  
Alright!  
Living la vida loca  
She's living la vida loca

She'll make you take your clothes off and go dancing in the rain  
She'll make you live her crazy life  
But she'll take away your pain  
Like a bullet to your brain  
Come on!

Upside, inside out she's living la vida loca  
She'll push and pull you down, living la vida loca  
Her lips are devil-red and her skin's the color mocha  
She will wear you out living la vida loca  
Come on!

Upside, inside out she's living la vida loca  
She'll push and pull you down, living la vida loca  
Her lips are devil-red and her skin's the color mocha  
She will wear you out living la vida loca  
Come on!

Living la vida loca  
Come on!  
She's living la vida loca

Come on!

Come on!  
La vida loca  
La vida loca
