

Love Machine - Girls Aloud

Ladies you're damn right
You can't read a man's mind
We're living in two tribes
And heading for war
Nobody's perfect
We all gotta work it
But fellas, we're worth it
So don't break the law

Your call's late, big mistake
You've gotta hang about in limbo for as long as I take
Next time, read my mind and I'll be good to you
We're gift-wrapped kitty cats
We're only turning into tigers when we gotta fight back
Let's go, Eskimo
Out into the blue

Come take my hand
Understand that you can
You're my man and I need you tonight
Come make my dreams
Honey hard as it seems
Loving me is as easy as pie, I

I'm just a love machine
Feeding my fantasy
Give me a kiss or three
And I'm fine
I need a squeeze a day
Instead of this negligee
What will the neighbours say
This time

I've been going crazy while you sleep
Searching for a language
That the two of us can speak so
Mr. prehistoric, make your wheel
And I'll breathe underwater '
'Cos I like the way it feels

Your call's late, big mistake
You've gotta hang about in limbo for as long as I take
Next time, read my mind and I'll be good to you
We're gift-wrapped kitty cats

We're only turning into tigers when we gotta fight back

Let's go, Eskimo

Out into the blue

Come take my hand

Understand that you can

You're my man and I need you tonight

Come make my dreams

Honey hard as it seems

Loving me is as easy as pie, I

I'm just a love machine

Feeding my fantasy

Give me a kiss or three

And I'm fine

I need a squeeze a day

Instead of this negligee

What will the neighbours say

This time

Oh, it's very new

Can anybody tell me what to do?

Oh, this feeling's very strange

Can anybody tell me what's your game?

(Oh) A little education

(Oh) To give you motivation

(Oh) We'll turn the situation

(Oh) 'Cos I don't wanna change ya

(Oh) Making you a stranger

(Oh) I'll only re-arrange ya... for now

(Oh) I'm just a Love Machine

(Oh) To give you motivation

(Oh) I'm just a Love Machine

(Ooh, ooh)

(Oh) I'm just a Love Machine

(Oh) To give you motivation

(Oh) I'm just a Love Machine

(Oh, oh, oh)
