

# Shivers - Ed Sheeran

---

I took an arrow to the heart  
I never kissed a mouth that tastes like yours  
Strawberries and then something more  
Ooh yeah, I want it all

Lipstick on my guitar  
Fill up the engine, we can drive real far  
Go dancing underneath the stars  
Ooh yeah, I want it all

Mmm, you got me feeling like

I wanna be that guy  
I wanna kiss your eyes  
I wanna drink that smile  
I wanna feel like I  
Like my soul's on fire  
I wanna stay up all day and all night  
Yeah, you got me singing like

Ooh, I love it when you do it like that  
And when you're close up  
Give me the shivers  
Oh baby, you wanna dance till the sunlight cracks  
And when they say the party's over then we'll bring it right back

And we'll say  
Ooh, I love it when you do it like that  
And when you're close up  
Give me the shivers  
Oh baby, you wanna dance till the sunlight cracks  
And when they say the party's over then we'll bring it right back

Into the car  
On the backseat in the moonlit dark  
Wrap me up between your legs and arms  
Ooh, I can't get enough

You know you could tear me apart  
Put me back together and take my heart  
I never thought that I could love this hard  
Ooh, I can't get enough

Mmm, you got me feeling like

I wanna be that guy  
I wanna kiss your eyes  
I wanna drink that smile  
I wanna feel like I  
Like my soul's on fire  
I wanna stay up all day and all night  
Yeah, you got me singing like

Ooh, I love it when you do it like that  
And when you're close up  
Give me the shivers  
Oh baby, you wanna dance till the sunlight cracks  
And when they say the party's over then we'll bring it right back

And we'll say  
Ooh, I love it when you do it like that  
And when you're close up  
Give me the shivers  
Oh baby, you wanna dance till the sunlight cracks  
And when they say the party's over then we'll bring it right back

Baby, you burn so hot  
You make me shiver with the fire you got  
This thing we started, I don't want it to stop  
You know you make me shiver-er-er

Baby, you burn so hot  
You make me shiver with the fire you got  
This thing we started, I don't want it to stop  
You know you make me shiver

Yeah, you got me singing like

Ooh, I love it when you do it like that  
And when you're close up  
Give me the shivers  
Oh baby, you wanna dance till the sunlight cracks  
And when they say the party's over then we'll bring it right back

(Oh no) And we'll say  
Ooh, I love it when you do it like that  
And when you're close up  
Give me the shivers  
Oh baby, you wanna dance till the sunlight cracks  
And when they say the party's over then we'll bring it right back, hey
