

# Paradise - George Ezra

---

My love (my love)  
My lover, lover, lover  
I'm in paradise whenever I'm with you  
My mind (my mind)  
My m-m-m-m-mind  
Well it's a paradise whenever I'm with you  
Ride on (ride on)  
I will ride on down the road  
I will find you, I will hold you, I'll be there  
It's long (how long?)  
Well it's a mighty long road  
But I'll find you, I will hold you and I'll be there

I know you heard it from those other boys  
But this time it's real  
It's something that I feel and  
I know you heard it from those other boys  
But this time it's real  
It's something that I feel and

If it feels like paradise running through your bloody veins  
You know it's love heading your way  
If it feels like paradise running through your bloody veins  
You know it's love heading your way

My time (my time)  
My t-t-t-t-time  
Well it's a never ending helter skelter  
We'll be out whatever the weather  
My heart (my heart)  
My boom-boom heart  
It's a beat and it's a thumping  
And I'm alive

I know you heard it from those other boys  
But this time it's real  
It's something that I feel and  
I know you heard it from those other boys  
But this time it's real  
It's something that I feel and

If it feels like paradise running through your bloody veins  
You know it's love heading your way

If it feels like paradise running through your bloody veins  
You know it's love heading your way

Paradise, roll on roll on  
Meet me there, hold on hold on  
Paradise, roll on roll on  
Meet me there, hold on hold on  
Paradise, roll on roll on  
Meet me there, hold on hold on  
Paradise, roll on roll on  
Meet me there, hold on hold on  
Paradise, roll on roll on  
Meet me there, hold on hold on  
Paradise, roll on roll on  
Meet me there, hold on hold on

If it feels like paradise running through your bloody veins  
You know it's love heading your way  
If it feels like paradise running through your bloody veins  
You know it's love heading your way

I know you heard it from those other boys  
But this time it's real  
It's something that I feel and  
I know you heard it from those other boys  
But this time it's real  
It's something that I feel and

If it feels like paradise running through your bloody veins  
You know it's love heading your way  
If it feels like paradise running through your bloody veins  
You know it's love heading your way  
If it feels like paradise running through your bloody veins  
You know it's love heading your way  
If it feels like paradise running through your bloody veins  
You know it's love heading your way
