

# Can You Feel the Love Tonight - Elton John

---

There's a calm surrender to the rush of day  
When the heat of a rolling wind can be turned away  
An enchanted moment, and it sees me through  
It's enough for this restless warrior just to be with you

Can you feel the love tonight?  
It is where we are  
It's enough for this wide-eyed wanderer  
That we've got this far

And can you feel the love tonight?  
How it's laid to rest?  
Oh, it's enough to make kings and vagabonds  
Believe the very best

There's a time for everyone if they only learn  
That the twisting kaleidoscope moves us all in turn  
There's a rhyme and reason to the wild outdoors  
When the heart of this star-crossed voyager beats in time with yours

Can you feel the love tonight?  
It is where we are  
It's enough for this wide-eyed wanderer  
That we've got this far

Can you feel the love tonight?  
How it's laid to rest?  
Oh, it's enough to make kings and vagabonds  
Believe the very best

Oh, it's enough to make kings and vagabonds  
Believe the very best
