

# Shine - Take That

---

You, you're such a big star to me  
You're everything I wanna be  
But you're stuck in a hole  
And I want you to get out  
I don't know what there is to see  
But I know it's time for you to leave  
We're all just pushing along  
Trying to figure it out, out, out  
All your anticipation pulls you down  
When you can have it all  
You can have it all

So come on  
So come on, get it on  
I don't know what you're waiting for  
Your time is coming don't be late, hey hey  
So come on  
See the light on your face  
Let it shine  
Just let it shine  
Let it shine

Stop (stop)  
Being so hard on yourself  
It's not good for your health  
I know that you can change  
So clear your head and come 'round  
You only have to open your eyes  
You might just get a big surprise  
And it may feel good  
And you might want to smile, smile, smile  
Don't you let your demons pull you down  
'Cause you can have it all  
You can have it all

So come on  
So come on, get it on  
I don't know what you're waiting for  
Your time is coming don't be late, hey hey  
So come on  
See the light on your face  
Let it shine

Just let it shine

Let it shine

(Hey) Hey

(Let me know ya)

Let me know ya

(You're all that matters to me)

You're all that matters to me

(Hey, let me show ya)

Let me show ya

(You're all that matters to me)

You're all that matters to me

So come on

So come on, get it on

I don't know what you're waiting for

Your time is coming don't be late, hey hey

So come on

See the light on your face

Let it shine

Just let it shine

Let it shine

(Hey, let me know ya)

Let me know ya

(You're all that matters to me)

You're all that matters to me

(Hey, let me show ya)

Let me show ya

(You're all that matters to me)

You're all that matters

(Shine)

Hey (Let me love ya)

(Shine)

Let me love ya

(Shine)

(You're all that matters to me)

(Shine)

Oh come on (Hey)

See the light on your face

(Oh, come on yeah)

Let it shine

Just let it shine

(Shine all your light over me)
