

# I Saw Her Standing There - The Beatles

---

Well, she was just seventeen  
You know what I mean  
And the way she looked was way beyond compare  
So how could I dance with another (Ooh)  
When I saw her standing there

Well she looked at me, and I, I could see  
That before too long I'd fall in love with her  
She wouldn't dance with another (Whooh)  
When I saw her standing there

Well, my heart went "boom"  
When I crossed that room  
And I held her hand in mine

Whoah, we danced through the night  
And we held each other tight  
And before too long I fell in love with her  
Now I'll never dance with another (Whooh)  
When I saw her standing there

Well, my heart went "boom"  
When I crossed that room  
And I held her hand in mine

Whoah, we danced through the night  
And we held each other tight  
And before too long I fell in love with her  
Now I'll never dance with another (Whooh)  
Since I saw her standing there  
Oh since I saw her standing there  
Oh since I saw her standing there
