

# Hello - Adele

---

Hello, it's me  
I was wondering if after all these years you'd like to meet  
To go over everything  
They say that time's supposed to heal ya  
But I ain't done much healing  
Hello, can you hear me?  
I'm in California dreaming about who we used to be  
When we were younger and free  
I've forgotten how it felt  
Before the world fell at our feet

There's such a difference between us  
And a million miles

Hello from the other side  
I must have called a thousand times  
To tell you I'm sorry for everything that I've done  
But when I call you never seem to be home  
Hello from the outside  
At least I can say that I've tried  
To tell you I'm sorry for breaking your heart  
But it don't matter, it clearly doesn't tear you apart  
Anymore

Hello, how are you?  
It's so typical of me to talk about myself, I'm sorry  
I hope that you're well  
Did you ever make it out of that town  
Where nothing ever happened?

It's no secret that the both of us  
Are running out of time

So hello from the other side (other side)  
I must have called a thousand times (thousand times)  
To tell you I'm sorry for everything that I've done  
But when I call you never seem to be home  
Hello from the outside (outside)  
At least I can say that I've tried (I've tried)  
To tell you I'm sorry for breaking your heart  
But it don't matter, it clearly doesn't tear you apart  
Anymore

(Highs, highs, highs, highs, lows, lows, lows, lows)

Any more

(Highs, highs, highs, highs, lows, lows, lows, lows)

Any more

(Highs, highs, highs, highs, lows, lows, lows, lows)

Any more

(Highs, highs, highs, highs, lows, lows, lows, lows)

Any more

Hello from the other side (other side)

I must have called a thousand times (thousand times)

To tell you I'm sorry for everything that I've done

But when I call you never seem to be home

Hello from the outside (outside)

At least I can say that I've tried (I've tried)

To tell you I'm sorry for breaking your heart

But it don't matter, it clearly doesn't tear you apart

Any more
