

# Need You Now - Lady A

---

*Female*

Picture perfect memories

Scattered all around the floor

Reachin' for the phone 'cause I can't fight it anymore

And I wonder if I ever cross your mind

For me, it happens all the time

*Both*

It's a quarter after one, I'm all alone and I need you now

Said I wouldn't call, but I've lost all control and I need you now

And I don't know how I can do without

I just need you now

*Male*

Another shot of whiskey

Can't stop lookin' at the door

Wishing you'd come sweeping in the way you did before

And I wonder if I ever cross your mind

For me, it happens all the time

*Both*

It's a quarter after one, I'm a little drunk and I need you now

Said I wouldn't call, but I've lost all control and I need you now

And I don't know how I can do without

I just need you now

Whoa, oh

I guess I'd rather hurt than feel nothin' at all

*Female*

It's a quarter after one, I'm all alone and I need you now

*Male*

And I said I wouldn't call, but I'm a little drunk and I need you now

*Both*

And I don't know how I can do without

I just need you now

I just need you now

Oh baby, I need you now
