

# You Get What You Give - New Radicals

---

One, two!

One, two, three, ow!

Wake up, kids, we got the dreamers' disease  
Age fourteen, they got you down on your knees  
So polite, we're busy still saying please  
Frienemies, who, when you're down, ain't your friend  
Every night we smash a Mercedes-Benz  
First we run, and then we laugh till we cry

But when the night is falling  
You cannot find the light (Light)  
You feel your dreams are dying, hold tight

You've got the music in you  
Don't let go, you've got the music in you  
One dance left, this world is gonna pull through  
Don't give up, you've got a reason to live  
Can't forget, we only get what we give

I'm comin' home, baby  
You're tops  
Give it to me now!

Four A.M., we ran a miracle mile  
We're flat broke, but hey, we do it in style  
The bad rich, God's flying in for your trial

But when the night is falling  
You cannot find a friend (Friend)  
You feel your tree is breaking, just bend

You've got the music in you  
Don't let go, you've got the music in you  
One dance left, this world is gonna pull through  
Don't give up, you've got a reason to live  
Can't forget, we only get what we give

This whole damn world could fall apart  
You'll be okay, follow your heart  
You're in harm's way, I'm right behind  
Now set your mark

You've got the music in you  
Don't let go, you've got the music in you

One dance left, this world is gonna pull through  
Don't give up, you've got a reason to live  
Can't forget, we only get what we give  
Don't let go, I feel the music in you  
You, you, you

Fly high, high  
What's real can't die  
You only get what you give  
You're gonna get what you give  
Don't give up, just don't be afraid to live

Health insurance, rip-off flying  
FDA, big bankers buying  
Fake computer crashes dining  
Cloning while they're multiplying  
Fashion shoots with Beck and Hanson  
Courtney Love and Marilyn Manson  
You're all fakes, run to your mansions  
Come around, we'll kick your ass in

Don't let go, one dance left  
Don't give up, can't forget  
Don't let go
