

# Breaking Free - High School Musical

---

We're soarin', flying  
There's not a star in heaven that we can't reach  
If we're tryin', so we're breakin' free

You know the world can see us  
In a way that's different than who we are  
Creating space between us, 'til we're separate hearts  
But your faith, it gives me strength  
Strength to believe

We're breakin' free  
We're soarin', flyin'  
There's not a star in heaven that we can't reach  
If we're tryin', yeah, we're breakin' free  
Oh, we're breakin' free!

Can you feel it building? Like a wave the ocean just can't control  
Connected by a feelin', ooh, in our very souls (very souls)  
Rising 'til it lifts us up, so everyone can see

We're breakin' free  
We're soarin', flyin'  
There's not a star in heaven that we can't reach  
If we're tryin', yeah, we're breakin' free  
Oh, we're breakin' free!

Runnin', climbin'  
To get to the place to be all that we can be  
Now's the time  
So we're breakin' free  
We're breakin' free (oh yeah)

More than hope, more than faith  
This is truth, this is fate  
And together we see it coming  
More than you, more than me  
Not a want, but a need  
Both of us, breaking free!

Soarin', flyin'  
There's not a star in heaven that we can't reach  
If we're tryin', yeah, we're breakin' free (breaking free)

We're runnin', oh climbin'  
To get to the place to be all that we can be

Now's the time (now's the time)

So we're breakin' free (oh we're breakin' free)

You know the world can see us

In a way that's different than who we are
