

# Rule the World - Take That

---

You light the skies up above me  
A star so bright you blind me  
Don't close your eyes  
Don't fade away

My heart, I know, now I'm losing you  
So pure, your love, so amazing, yeah yeah  
Don't close your eyes  
Don't fade away  
Don't fade away

Yeah, you and me, we can ride on a star  
If you stay with me girl, we can rule the world  
Yeah, you and me, we can light up the sky  
If you stay by my side, we can rule the world

If walls break down, I will comfort you  
If angels cry, oh I'll be there for you  
You've saved my soul  
Don't leave me now  
Don't leave me now

Yeah, you and me, we can ride on a star  
If you stay with me girl, we can rule the world  
Yeah, you and me, we can light up the sky  
If you stay by my side, we can rule the world

All the stars are coming out tonight  
They're lighting up the sky tonight  
For you, for you  
All the stars are coming out tonight  
They're lighting up the sky tonight  
For you, for you

Yeah, you and me, we can ride on a star  
If you stay with me girl, we can rule the world  
Yeah, you and me, we can light up the sky  
If you stay by my side, we can rule the world

All the stars are coming out tonight  
They're lighting up the sky tonight  
For you, for you  
All the stars are coming out tonight  
They're lighting up the sky tonight  
For you, for you

All the stars are coming out tonight  
They're lighting up the sky tonight  
For you, for you  
All the stars are coming out tonight  
They're lighting up the sky tonight  
For you, for you
