

# Make Me Smile (Come Up and See Me) - Steve Harley & Cockney Rebel

---

you've done it all, you've broken every code  
and pulled the rebel to the floor  
you spoilt the game, no matter what you say  
for only metal - what a bore!

blue eyes, blue eyes  
how come you tell so many lies?

come up and see me, make me smile  
or do what you want, running wild

there's nothing left, all gone and run away  
maybe you'll tarry for a while  
it's just a test, a game for us to play  
win or lose, it's hard to smile

resist, resist  
it's from yourself you have to hide

come up and see me, make me smile  
or do what you want, running wild

there ain't no more, you've taken everything  
from my belief in Mother Earth  
can you ignore my faith in everything  
'cause i know what faith is and what it's worth

away, away  
and don't say maybe you'll try

to come up and see me, make me smile  
or do what you want, running wild [repeat til fade]
