

# Green Green Grass - George Ezra

---

Well she moves like lightning  
And she counts to three  
Then she turns out all the lights  
And says she's coming for me  
Now put your hands up  
This is a heist  
And there's no one in here living  
Gonna make it out alive

Load it up when the sun comes down  
Getaway car for two young lovers  
Me and the girl straight out of town  
Over the hills and undercover  
Undercover, undercover  
She said

Green green grass, blue blue sky  
You better throw a party on the day that I die  
Green green grass, blue blue sky  
You better throw a party on the day that I die

We go together, Adam and Eve  
But the girl is so much more than just another apple thief  
Yeah, she's a genius (genius), watch and learn  
How she sets the world on fire just to watch the sucker burn

Load it up when the sun comes down  
Getaway car for two young lovers  
Me and the girl straight out of town  
Over the hills and undercover  
Undercover, undercover  
She said

Green green grass, blue blue sky  
You better throw a party on the day that I die  
Green green grass, blue blue sky  
You better throw a party on the day that I die

Throw a party (yeah), throw a party yeah  
Throw a party (woo), on the day that I die  
Throw a party (hey), throw a party yeah  
Throw a party, on the day that I die

Load it up when the sun comes down  
Getaway car for two young lovers

Me and the girl straight out of town  
Over the hills and undercover  
Undercover, undercover  
She said

Green green grass, blue blue sky  
You better throw a party on the day that I die  
Green green grass, blue blue sky  
You better throw a party on the day that I die  
Green green grass, blue blue sky  
You better throw a party on the day that I die  
Green green grass, blue blue sky  
You better throw a party on the day that I die
