

# Dancing On The Ceiling - Lionel Richie

---

What is happening here?

Something's going on

That's not quite clear

Somebody turn on the lights

We're gonna have a party

It's starting tonight

Oh, what a feeling

When we're dancing on the ceiling

Oh, what a feeling

When we're dancing on the ceiling

Room is hot and that's good

Some of my friends came by from the neighbourhood

People were starting to climb the walls

Ooh, it looks like everybody is having a ball

Oh, what a feeling

When we're dancing on the ceiling

Oh, what a feeling

When we're dancing on the ceiling

Oh, what a feeling

When we're dancing on the ceiling

Oh, what a feeling

When we're dancing on the ceiling

Come on

Everybody starts to lose control

When the music is right

If you see somebody hanging around

Don't get uptight

The only thing we wanna do tonight

Is go round and round

And turn upside down

Come on, let's get down

So come on, let's get loose

Don't hold back

'Cause it ain't no use

Hard to keep your feet on the ground

'Cause when we like to party

We only wanna get down

Oh, what a feeling  
When we're dancing on the ceiling  
Oh, what a feeling  
When we're dancing on the ceiling

Oh, what a feeling, baby  
When we're dancing on the ceiling  
Oh, what a feeling  
When we're dancing on the ceiling

What? You say what?  
Can't stop now  
Just get started  
Everybody, clap your hands  
Come on

Everybody, let's dance

Oh, what a feeling  
When we're dancing on the ceiling  
Oh, what a feeling  
When we're dancing on the ceiling

Oh, what a feeling  
When we're dancing on the ceiling, baby, baby

We wanna dance all night
