Price Tag - Jessie J

[Jessie J:]

Okay, Coconut Man, Moonhead and Pea

You ready?

Seems like everybody's got a price

I wonder how they sleep at night

When the sale comes first and the truth comes second

Just stop for a minute and smile

Why is everybody so serious?

Acting so damn mysterious?

Got your shades on your eyes

And your heels so high that you can't even have a good time

Everybody look to their left

Everybody look to their right

Can you feel that? Yeah

We're paying with love tonight

It's not about the money, money, money

We don't need your money, money, money

We just wanna make the world dance

Forget about the price tag

Ain't about the, uh, cha-ching, cha-ching

Ain't about the, yeah, ba-bling, ba-bling

Wanna make the world dance

Forget about the price tag

Okay

We need to take it back in time

When music made us all unite

And it wasn't low blows and video hoes

Am I the only one getting tired?

Why is everybody so obsessed?

Money can't buy us happiness

Can we all slow down and enjoy right now?

Guarantee we'll be feeling alright

Everybody look to their left (To their left)

Everybody look to their right (To their right)

Can you feel that? Yeah

We're paying with love tonight

It's not about the money, money, money

We don't need your money, money, money

We just wanna make the world dance
Forget about the price tag
Ain't about the, uh, cha-ching, cha-ching
Ain't about the, yeah, ba-bling, ba-bling
Wanna make the world dance
Forget about the price tag

[B.o.B:]

Yeah, yeah, well, keep the price tag and take the cash back
Just give me six strings (Six strings) and a half-stack (Half-stack)
And you can, can keep the cars, leave me the garage
And all I, yes, all I need are keys and guitars
And guess what? In thirty seconds, I'm leaving to Mars
Yeah, we leaping across these undefeatable odds
It's like this, man, you can't put a price on a life
We do this for the love, so we fight and sacrifice every night
So we ain't gon' stumble and fall, never
Waiting to see this in the sign of defeat, uh-uh
So we gon' keep everyone moving their feet
So bring back the beat and then everyone sing
It's not about the money
