Dancing in the Moonlight - Thin Lizzy

When I passed you in the doorway Well, you took me with a glance I should have took that last bus home But I asked you for a dance

Now we go steady to the pictures
I always get chocolate stains on my pants
And my father he's going crazy
He say's I'm living in a trance

But I'm dancing in the moonlight It's caught me in its spotlight It's all right, all right Dancing in the moonlight On this long hot summer night

It's three o'clock in the morning And I'm on the streets again I disobeyed another warning I should have been in by ten

Now I won't get out until Sunday I'll have to say I stayed with friends Oh but it's a habit worth forming If it means to justify the end

But I'm dancing in the moonlight It's caught me in its spotlight It's all right, all right Dancing in the moonlight On this long hot summer night

And I'm walking home
The last bus is long gone
But I'm dancing in the moonlight

But I'm dancing in the moonlight It's caught me in its spotlight It's all right, all right Dancing in the moonlight On this long hot summer night

But I'm dancing in the moonlight It's caught me in its spotlight

Dancing in the moonlight
On this long hot summer night

But I'm dancing in the moonlight It's caught me in its spotlight It's all right, all right Dancing in the moonlight On this long hot summer night

But I'm dancing in the moonlight It's caught me in its spotlight It's all right, all right Dancing in the moonlight On this long hot summer night
