Baby It's Cold Outside - Michael Buble, Idina Menzel

I really can't stay

Baby, it's cold outside

I gotta go away

Baby, it's cold outside

This evening has been

Been hoping that you'd drop in

So very nice

I'll hold your hands, they're just like ice

My mother will start to worry

Beautiful, what's your hurry?

My father will be pacing the floor

Listen to that fire place roar

So really I'd better scurry

Beautiful, please don't hurry

But maybe just half a drink more

I'll put some records on while I pour

The neighbors might think

Baby, it's bad out there

Say what's in this drink?

No cabs to be had out there

I wish I knew how

Your eyes are like starlight now

To break this spell

I'll take your hat (well, thank you), your hair looks swell

I ought to say no, no, no, sir

Mind if I move in closer?

At least I'm gonna say that I tried

What's the sense of hurting my pride?

I really can't stay

Baby, don't hold out

Baby, it's cold outside

(You're very pushy, you know)

(I'd like to think of it as opportunistic)

I simply must go

Baby, it's cold outside

The answer is "No"

But, baby, it's cold outside

(come on)

The welcome has been
How lucky that you dropped in
So nice and warm
Look out the window at that storm

My sister will be suspicious
Gosh, your lips look delicious
My brother will be there at the door
Waves upon a tropical shore
My maiden aunt's mind is vicious
Gosh, your lips are delicious
But maybe just a cigarette more
(and I don't even smoke)
Never such a blizzard before

I gotta get home
Baby, you'll freeze out there
Say, lend me your coat
It's up to your knees out there
You've really been grand
I feel when I touch your hand
But don't you see
How can you do this thing to me?

There's bound to be talk tomorrow
Think of my life-long sorrow
At least there will be plenty implied
If you got pneumonia and died
I really can't stay
Get over that hold-out
Baby, it's cold
Baby, it's cold outside
