## Rule the World - Take That

You light the skies up above me A star so bright you blind me Don't close your eyes Don't fade away

My heart, I know, now I'm losing you So pure, your love, so amazing, yeah yeah Don't close your eyes Don't fade away Don't fade away

Yeah, you and me, we can ride on a star If you stay with me girl, we can rule the world Yeah, you and me, we can light up the sky If you stay by my side, we can rule the world

If walls break down, I will comfort you
If angels cry, oh I'll be there for you
You've saved my soul
Don't leave me now
Don't leave me now

Yeah, you and me, we can ride on a star If you stay with me girl, we can rule the world Yeah, you and me, we can light up the sky If you stay by my side, we can rule the world

All the stars are coming out tonight
They're lighting up the sky tonight
For you, for you
All the stars are coming out tonight
They're lighting up the sky tonight
For you, for you

Yeah, you and me, we can ride on a star If you stay with me girl, we can rule the world Yeah, you and me, we can light up the sky If you stay by my side, we can rule the world

All the stars are coming out tonight They're lighting up the sky tonight For you, for you All the stars are coming out tonight They're lighting up the sky tonight For you, for you All the stars are coming out tonight
They're lighting up the sky tonight
For you, for you
All the stars are coming out tonight
They're lighting up the sky tonight
For you, for you
