Make Me Smile (Come Up and See Me) - Steve Harley & Cockney Rebel

you've done it all, you've broken every code and pulled the rebel to the floor you spoilt the game, no matter what you say for only metal - what a bore!

blue eyes, blue eyes how come you tell so many lies?

come up and see me, make me smile or do what you want, running wild

there's nothing left, all gone and run away maybe you'll tarry for a while it's just a test, a game for us to play win or lose, it's hard to smile

resist, resist it's from yourself you have to hide

come up and see me, make me smile or do what you want, running wild

there ain't no more, you've taken everything from my belief in Mother Earth can you ignore my faith in everything 'cause i know what faith is and what it's worth

away, away and don't say maybe you'll try

to come up and see me, make me smile or do what you want, running wild [repeat til fade]
