Songbird - Fleetwood Mac

For you, there'll be no more crying For you, the sun will be shining And I feel that when I'm with you It's alright, I know it's right

To you, I'll give the world
To you, I'll never be cold
'Cause I feel that when I'm with you
It's alright, I know it's right

And the songbirds are singing
Like they know the score
And Hove you, Hove you, Hove you
Like never before

And I wish you all the love in the world But most of all, I wish it from myself

And the songbirds keep singing
Like they know the score
And I love you, I love you, I love you
Like never before
Like never before
Like never before
