## **Angels - Robbie Williams**

I sit and wait

Does an angel contemplate my fate?

And do they know the places where we go

When we're grey and old?

'Cause I've been told

That salvation lets their wings unfold

So when I'm lying in my bed

Thoughts running through my head

And I feel that love is dead

I'm lovin' angels instead

And through it all

She offers me protection

A lot of love and affection

Whether I'm right or wrong

And down the waterfall

Wherever it may take me

I know that life won't break me

When I come to call

She won't forsake me

I'm lovin' angels instead

When I'm feeling weak

And my pain walks down a one-way street

Hook above

And I know I'll always be blessed with love

And as the feeling grows

She breathes flesh to my bones

And when love is dead

I'm Iovin' angels instead

And through it all

She offers me protection

A lot of love and affection

Whether I'm right or wrong

And down the waterfall

Wherever it may take me

I know that life won't break me

When I come to call

She won't forsake me

I'm lovin' angels instead

And through it all

She offers me protection

A lot of love and affection
Whether I'm right or wrong
And down the waterfall
Wherever it may take me
I know that life won't break me
When I come to call
She won't forsake me
I'm lovin' angels instead
