Rosanna - Toto

All I wanna do when I wake up in the morning is see your eyes Rosanna, Rosanna

I never thought that a girl like you could ever care for me, Rosanna

All I wanna do in the middle of the evening is hold you tight Rosanna, Rosanna

I didn't know you were looking for more than I could ever be

Not quite a year since she went away, Rosanna Now she's gone and I have to say

[Chorus:]

Meet you all the way, meet you all the way, Rosanna Meet you all the way, meet you all the way, Rosanna

I can see your face still shining through the window on the other side Rosanna, Rosanna

I didn't know that a girl like you could make me feel so sad, Rosanna

All I wanna tell you is now you'll never ever have to compromise Rosanna, Rosanna
I never thought that losing you could ever hurt so bad

Not quite a year since she went away, Rosanna Now she's gone and I have to say

[Repeat chorus]

[Instrumental break]

Not quite a year since she went away Who is it? Rosanna Now she's gone and I have to say

[Repeat chorus]

Meet you all the way, meet you all the way, Rosanna Meet you all the way, meet you all the way, Rosanna
