Running Up That Hill - Kate Bush

It doesn't hurt me

Do you wanna feel how it feels?

Do you wanna know, know that it doesn't hurt me?

Do you wanna hear about the deal that I'm making?

You, it's you and me

And if I only could

I'd make a deal with God

And I'd get him to swap our places

Be running up that road

Be running up that hill

Be running up that building

Say, if I only could, ooh

You don't wanna hurt me

But see how deep the bullet lies

Unaware I'm tearing you asunder

Ooh, there is thunder in our hearts

Is there so much hate for the ones we love?

Oh, tell me, we both matter, don't we?

You, it's you and me

It's you and me won't be unhappy

And if I only could

I'd make a deal with God

And I'd get him to swap our places

Be running up that road

Be running up that hill

Be running up that building

Say, if I only could, ooh

You

It's you and me

It's you and me won't be unhappy

Oh, come on, baby. Oh, come on, darling

Let me steal this moment from you now

Oh, come on, angel. Come on, come on, darling

Let's exchange the experience, ooh

And if I only could

I'd make a deal with God

And I'd get him to swap our places

I'd be running up that road

Be running up that hill With no problems

Say, if I only could I'd make a deal with God And I'd get him to swap our places Be running up that road Be running up that hill With no problems

So if I only could
And make a deal with God
I'd get him to swap our places
I'd be running up that road
Be running up that hill
With no problems

So if I only could Be running up that hill With no problems

If I only could, be running up that hill If I only could, be running up that hill
