No Woman, No Cry - Bob Marley

No woman, no cry No woman, no cry No woman, no cry No woman, no cry

'Cause, 'cause, 'cause I remember when we used to sit
In the government yard in Trenchtown
Oba, observing the hypocrites, yeah
Mingle with the good people we meet, yeah
Good friends we have had, oh good friends we've lost along the way, yeah
In this bright future you can't forget your past
So dry your tears I say, yeah

No woman, no cry No woman, no cry, eh, yeah Little darling don't shed no tears No woman, no cry

Eh, said, said, said I remember when we used to sit In the government yard in Trenchtown, yeah And then Georgie would make the fire light, I say A log wood burning through the night Then we would cook corn meal porridge, I say Of which I'll share with you, yeah My feet is my only carriage And so I've got to push on through But while I'm gone

Everything's gonna be alright

Everything's gonna be alright So no woman, no cry No woman, no cry, I say Oh little, oh little darling, don't shed no tears

No woman, no cry, eh

No woman, no woman, no cry No woman, no cry One more time I've got to say Oh little, little darling, please don't shed no tears No woman, no cry
