## **Never Too Much - Luther Vandross**

I can't fool myself, I don't want nobody else to ever love me You are my shinin' star, my guiding light, my love fantasy There's not a minute, hour, day or night that I don't love you You're at the top of my list 'cause I'm always thinkin' of you

I still remember in the days when I was scared to touch you How I spent my day dreamin' plannin' how to say I love you You must have known that I had feelings deep enough to swim in That's when you opened up your heart and you told me to come in

Oh, my love
A thousand kisses from you is never too much
I just don't wanna stop

Oh, my love A million days in your arms is never too much I just don't wanna stop

Too much, never too much, never too much, never too much

Woke up today, looked at your picture just to get me started I called you up, but you weren't there and I was broken hearted Hung up the phone, can't be too late, the boss is so demandin' Opened the door up and to my surprise there you were standin'

Well, who needs to go to work to hustle for another dollar I'd rather be with you 'cause you make my heart scream and holler Love is a gamble and I'm so glad that I'm winnin' We've come a long way and yet this is only the beginnin'

Oh, my love

A thousand kisses from you is never too much (Never too much, never too much, never too much) I just don't wanna stop

Oh, my love

A million days in your arms is never too much (Never too much, never too much, never too much) And I just don't wanna stop

Oh, my love
A thousand kisses from you is never
(Never too much, never too much, never too much)
I just don't wanna stop

Oh, my love A million days in your arms is never too much
